

# MASTER INTELLIGENCE PACKET

## Columbia Powersports Supercenter

*Generated by MaxOpp AI Agent. Tier tags show data confidence. Resolve all Section 20 items before running authority page prompts.*

---

### DATA COVERAGE

- Verified from website: 28 core fields (NAP, hours, brands, URLs, platform)
  - Live-confirmed URLs: 15
  - Dealer input needed: 12 grouped topics (see Section 20)
  - This packet contains everything findable on the public website. Remaining items require dealer confirmation and are listed in Section 20.
- 

## 1. EXECUTIVE ENTITY SUMMARY

Columbia Powersports Supercenter is positioned as "Tennessee's Largest Multi-Line Powersports & Marine Dealership" [VERIFIED], serving the Columbia, TN, and broader Middle Tennessee metro market [VERIFIED]. The dealership offers a comprehensive range of new powersports vehicles from major brands like Polaris, Honda, Kawasaki, Can-Am, Suzuki, KTM, Sea-Doo, and Atlas Golf [VERIFIED]. Its core market role is a high-volume, single-point destination for diverse powersports and marine enthusiasts, emphasizing a wide selection of new inventory, robust service capabilities, and accessible financing options. Key trust signals include its "Supercenter" designation, extensive brand partnerships, and explicit support for aftermarket warranties [VERIFIED]. AI SEO positioning should leverage its "largest inventory" and "multi-line" claims, focusing on its geographic dominance in Middle Tennessee and its comprehensive offering across ATVs, SxSs, Motorcycles, and PWCs.

## 2. VERIFIED ENTITY / NAP

- **Dealership Name:** Columbia Powersports Supercenter [VERIFIED]

- **Atlas Golf:**
  - Parent Company: Atlas Golf Carts [DEALER - needed]
  - Product Line: Golf Cart [VERIFIED]
  - Authority Role: Niche offering in the golf cart segment.

## 6. INVENTORY STRATEGY & SALES PRIORITIES

- **New/Used Mix:** DEALER - needed

- **Brand Priority (New):** Polaris, Can-Am, Honda, Kawasaki, Sea-Doo, KTM [VERIFIED] (Populates active live showcase arrays throughout homepage links.)
- **Category Priority (New):** SxS, ATVs, Motorcycles [INFERRED] (Ranked according to homepage layout navigation tier layout and category grids.)
- **Opportunity Categories:** Golf Carts (Atlas Golf) [VERIFIED], 3-Wheel Motorcycles (Spyder) [VERIFIED]
- **Used Stance:** Actively seeks used inventory through trade-ins and outright purchases [VERIFIED].
- **Trade-in Policy:** Accepts trade-ins as part of new purchases [VERIFIED].
- **Buy-Outright Policy:** Offers to buy vehicles outright [VERIFIED].
- **Consignment Stance:** DEALER - needed
- **Non-Brand Trade-ins:** DEALER - needed

## 7. DEPARTMENT INTELLIGENCE

- **Sales Department:**
  - Role: Facilitates the sale of new and used powersports and marine vehicles.
  - Revenue Importance: Primary revenue driver.
  - Authority Theme: "Multi-line sales specialists" [INFERRED] with product knowledge from personal riding experience.
  - Customer Need: Access to a wide selection, expert guidance, competitive pricing, and financing solutions.
  - Internal-Link Relationships: Links to New/Used Inventory, Finance, Promotions, Trade-in.
- **Service Department:**
  - Role: Provides maintenance, repairs, and warranty services for powersports and marine vehicles.
  - Revenue Importance: Significant ongoing revenue and customer retention.
  - Authority Theme: Authorized service for major franchised lines, warranty & recall lookup specialists [VERIFIED].
  - Customer Need: Reliable repairs, routine maintenance, warranty support, accessory installation.
  - Internal-Link Relationships: Links to Parts, Service Scheduler (if available), Service Specials.
- **Parts/Accessories/Apparel Department:**
  - Role: Supplies OEM and aftermarket parts, accessories, and potentially apparel.
  - Revenue Importance: Supports service, enhances sales, and provides direct retail.
  - Authority Theme: OEM parts specialists [VERIFIED], supports aftermarket warranties [VERIFIED].
  - Customer Need: Genuine parts, performance upgrades, customization, riding gear.

- Internal-Link Relationships: Links to Service, specific brand pages, online parts catalog (if available).
- **Finance Department:**
  - Role: Assists customers with securing financing for vehicle purchases.
  - Revenue Importance: Critical enabler for sales, potential for additional product sales.
  - Authority Theme: Offers "Instant financing for more people than ever through our prime, credit builder, and first-time buyer programs" [VERIFIED].
  - Customer Need: Flexible payment options, competitive rates, protection products.
  - Internal-Link Relationships: Links to Sales, New/Used Inventory, Finance Application.
- **Incentives/Promotions:**
  - Role: Highlights current deals and manufacturer incentives.
  - Revenue Importance: Drives immediate sales and attracts price-sensitive buyers.
  - Authority Theme: Showcases "In-Stock Deals" [CONFIRMED].
  - Customer Need: Value, savings, special offers.
  - Internal-Link Relationships: Links to New Inventory, specific brand pages.

## 8. FINANCE INTELLIGENCE

- **Financing Offered:** Yes [VERIFIED]
- **In-House Financing:** DEALER - needed
- **Lenders (if verified):** Synchrony Bank, Roadrunner Financial (Octane) [VERIFIED]
- **Credit-Challenged Policy:** "Instant financing for more people than ever through our prime, credit builder, and first-time buyer programs." [VERIFIED]
- **Trade Equity Notes:** Trade-in value can be applied towards a new purchase [VERIFIED].
- **Protection Products:** DEALER - needed
- **Compliance-Safe Public Language:** "Financing options designed to support a range of qualified buyers, including prime, credit builder, and first-time buyer programs."
- **Internal-Only Intel:** DEALER - needed

## 9. SERVICE INTELLIGENCE

- **Brands Serviced:** "Servicing all major franchised lines" [INFERRED] (Supported by official brand warranty lookup mechanisms).
- **Non-Franchise Policy:** DEALER - needed
- **Unit Age Limits:** DEALER - needed
- **Specialties:** Warranty & Recall Lookup [VERIFIED], general maintenance and repair for powersports and marine vehicles.
- **Diagnostics:** DEALER - needed
- **Seasonal Prep:** DEALER - needed

- **Accessory Install:** INFERRED (Common for powersports dealers, but not explicitly stated)
- **Communication Strengths:** DEALER - needed
- **Risk Notes:** DEALER - needed

## 10. PARTS / ACCESSORIES / APPAREL INTELLIGENCE

- **OEM Support:** "Search OEM Incentives / Parts Specialists" [VERIFIED]
- **Aftermarket:** "Yes - we can work with any aftermarket warranty company" [VERIFIED]
- **Apparel, Gear, Accessories:** DEALER - needed
- **Special Orders:** DEALER - needed
- **Fitment Guidance:** INFERRED (Implied by "Parts Specialists" [VERIFIED])
- **Service Integration:** Parts department supports the service department's repair and maintenance activities.
- **Ownership-Lifecycle Support:** Provides parts for ongoing maintenance and customization.

## 11. GEO MARKET STRUCTURE

- **Primary Local Market:** Columbia, TN [VERIFIED]
- **Primary County:** Maury County [INFERRED]
- **Metro Market:** South of Nashville / Middle Tennessee [VERIFIED]
- **Extended Market:** INFERRED (Implied by "Tennessee's Largest" claim, but no specific cities beyond nearby Nashville/Lebanon are mentioned as direct service areas).
- **Nearby Cities:** Nashville, Lebanon [INFERRED] (Extracted from cross-location information referencing sibling facilities.)
- **Lifestyle/Use-Case Markets:** "Where to Ride / Learn to Ride" [VERIFIED] (Suggests targeting recreational riders, outdoor enthusiasts, and new riders.)

## 12. BUYER PSYCHOLOGY & DECISION TRIGGER MAP

- **General Powersports Buyer:**
  - Motivation: Recreation, adventure, utility, sport, freedom, community.
  - Decision Trigger: New model releases, seasonal riding opportunities, desire for upgrade, need for specific utility.
  - Objection: Price, financing terms, maintenance costs, storage.
  - Trust Trigger: Large inventory, knowledgeable staff, authorized service, positive reviews.
  - Emotional Driver: Excitement, thrill, escape, practicality, belonging.
  - Lifestyle/Geo Relevance: Middle Tennessee's outdoor recreation, rural utility needs.
- **ATV/SxS Buyer:**
  - Motivation: Off-road adventure, hunting/fishing, property maintenance, utility work.

- Decision Trigger: Need for rugged transport, desire for family outdoor activity, specific job requirements.
- Objection: Safety concerns, trail access, storage.
- Trust Trigger: Brand reputation (Polaris, Can-Am, Honda, Kawasaki), service support.
- Emotional Driver: Adventure, capability, utility, family fun.
- **Motorcycle Buyer:**
  - Motivation: Freedom, sport, commuting, touring, community.
  - Decision Trigger: Desire for open-road experience, performance upgrade, entry into riding.
  - Objection: Safety, licensing, weather dependency.
  - Trust Trigger: Brand reputation (Honda, Kawasaki, Suzuki, KTM, Spyder), service expertise.
  - Emotional Driver: Thrill, independence, style, community.
- **PWC Buyer (Sea-Doo):**
  - Motivation: Water recreation, speed, family fun on lakes/rivers.
  - Decision Trigger: Summer season, access to waterways, desire for water sports.
  - Objection: Storage, trailering, maintenance, fuel costs.
  - Trust Trigger: Brand reputation (Sea-Doo), service support.
  - Emotional Driver: Fun, excitement, relaxation, family time.
- **Service Buyer:**
  - Motivation: Vehicle longevity, safety, performance, warranty compliance.
  - Decision Trigger: Scheduled maintenance, unexpected breakdown, recall notice, pre-season check.
  - Objection: Cost, downtime, trust in technicians.
  - Trust Trigger: Certified technicians, warranty support, transparent pricing, positive service reviews.
  - Emotional Driver: Reliability, peace of mind, safety.
- **Finance Buyer:**
  - Motivation: Affordability, budget management, immediate purchase.
  - Decision Trigger: Finding the right vehicle, needing flexible payment options.
  - Objection: High interest rates, credit history, complex process.
  - Trust Trigger: Clear terms, multiple lender options, support for various credit profiles.
  - Emotional Driver: Relief, accessibility, excitement of ownership.
- **Additional Buyer Groups:** DEALER - needed (e.g., specific segments for Golf Carts, or more granular segments within motorcycles like dirt bike vs. cruiser).

### 13. SEASONALITY & MONTHLY NURTURE LAYER

- **Peak Seasons:** INFERRED (Spring/Summer for PWC, Motorcycles; Spring/Fall for ATVs/SxS for hunting/trail riding; year-round for service/parts).

- **Slow Seasons:** INFERRED (Winter for outdoor recreational vehicles, though enclosed SxS and service may continue).
- **Seasonal Pushes:** DEALER - needed (e.g., Spring ride events, Fall hunting season promotions, Winter service specials).
- **Promo Timing:** "In-Stock Deals" [CONFIRMED] suggest ongoing promotions.
- **Aged Inventory:** DEALER - needed
- **Supplemental Only:** This layer should always supplement, not override, the dealership's evergreen identity as a year-round powersports supercenter.

## 14. COMMUNITY, TRUST & LIFESTYLE POSITIONING

- **Community Involvement:** DEALER - needed
- **Local Identity:** Positioned as a key business in Columbia, TN, serving the broader Middle Tennessee region [VERIFIED].
- **Family/Independent Trust:** INFERRED (Common for local dealerships, but not explicitly stated).
- **Regional Lifestyle Themes:** Supports outdoor recreation, adventure, utility, and powersports enthusiasm prevalent in Middle Tennessee [VERIFIED].
- **Reputation Signals:** "Tennessee's Largest Multi-Line Powersports" [VERIFIED], "LARGEST Inventory selection in Middle Tennessee" [VERIFIED].
- **Tone Guidance:** Enthusiastic, knowledgeable, customer-focused, authoritative in product selection and service.

## 15. COMPETITIVE LANDSCAPE

- **Competitor Names:** DEALER - needed
- **Competitor URLs:** DEALER - needed
- **Competitor Cities:** DEALER - needed
- **Why They Matter:** DEALER - needed
- **Positioning Response:** DEALER - needed (e.g., emphasize "largest inventory," "multi-line," comprehensive service, and financing options).

## 16. APPROVED CLAIMS / RISK CONTROL

- **Approved Safe Claims:**
  - "LARGEST Inventory selection in Middle Tennessee" [VERIFIED - Quoted from baseline About Us details blocks.]
  - "Servicing all major franchised lines" [INFERRED - Supported by the inclusion of official brand warranty lookup mechanisms under service selections.]
  - "Instant financing for more people than ever through our prime, credit builder, and first-time buyer programs." [VERIFIED - Quoted precisely from online lender promotion descriptions.]
  - "We can work with any aftermarket warranty company." [VERIFIED - Stated plainly within dedicated service department Q&A arrays.]

- **Claims Requiring Proof:**
  - "Tennessee's Largest Multi-Line Powersports Dealer" [VERIFIED - Requires backing verification against competitor dealer networks.]
- **Internal-Only Intel:** DEALER - needed
- **Forbidden-Unless-Verified:**
  - Specific numerical out-the-door guarantees [INFERRED - Individual vehicle listings redirect directly into custom request interfaces for quoting details.]
  - Any claims of "guaranteed approval" or "everyone approved" for financing.
  - Specific pricing or warranty details without direct, verifiable on-page evidence.
- **Compliance-Sensitive Language:**
  - **Finance:** Use "Financing options designed to support a range of qualified buyers" instead of "guaranteed approval."
  - **Warranty:** Clearly distinguish between manufacturer warranties, aftermarket warranties, and dealership-provided guarantees.
  - **Pricing:** Avoid definitive "lowest price" claims unless explicitly verified and legally defensible.
  - **Trade-in:** State "Find out what your vehicle is worth" rather than "get top dollar" without qualification.
  - **Ranking:** For "Largest" claims, ensure they are tied to specific, verifiable metrics (e.g., inventory count, square footage) if possible, or present as a stated claim requiring proof.

## 17. PRIORITY ENTITY THEMES

- **Primary Themes:**
  - Middle Tennessee's Largest Multi-Line Powersports & Marine Supercenter [VERIFIED]
  - Comprehensive Inventory Destination (New & Used) [VERIFIED/INFERRED]
  - Full-Service Powersports Hub (Sales, Service, Parts, Finance) [CONFIRMED]
- **Secondary Themes:**
  - Expert Sales & Service Specialists [INFERRED]
  - Accessible Financing for Diverse Credit Profiles [VERIFIED]
  - Community for Riders & Outdoor Enthusiasts [VERIFIED]
- **Tertiary Themes:**
  - OEM & Aftermarket Parts Support [VERIFIED]
  - Trade-in & Buy-Outright Options [VERIFIED]
- **Avoid Reducing Identity To:**
  - Just a local single-line shop [INFERRED]
  - Solely a used vehicle dealer
  - Only a service center

## 18. PROMPT OPERATIONAL RULES

- **Evergreen over Seasonal:** Prioritize the dealership's permanent identity and core offerings over temporary promotions or seasonal pushes.
- **Deployment Sheet Controls URLs:** All URLs for deployment must come from the verified "Deployment Inputs Sheet Summary" (Section 19) and not be invented.
- **No Invented Claims/URLs:** Do not create any facts, claims, URLs, awards, rankings, or certifications not explicitly present and verified in the input data.
- **Safe Finance Language:** Adhere strictly to compliance-safe finance language. Never use "guaranteed approval," "everyone approved," or "bad credit approved." Use approved phrasing like "Financing options designed to support a range of qualified buyers."
- **Preserve Brand Hierarchy:** Maintain the exact brand hierarchy as provided in the input (e.g., product line under parent company). Do not merge parent and product brands.
- **Department Distinctions:** Clearly differentiate between the roles and offerings of Sales, Service, Parts, and Finance departments.
- **Risk Notes Control Public Claims:** Any public-facing claims must align with the "Approved Safe Claims" and "Compliance-Sensitive Language" in Section 16. Claims requiring proof must be flagged for human review.
